RE: Case #: 21-CV-3723

SUBJECT: 'Declarant-Witness Unavailable to be Cross-Examine' (he's deceased) and Court of Common Pleas of Pike County Pennsylvania v. Keeba Harris LOTN/OTN; X 301237-6, Docket # CP-52-CR-0000690-2019, CRIMINAL DOCKET Court Case, page 13 of 23 **Entry:** 6/24/2020: 'Motion to Admit Preliminary Testimony Pursuant to Pa. R.E. 804';

Declarant, John Derbyshire died on May 25th, 2020 at his home 4374 Pine ridge Dr. Bushkill, PA. 18324. Declarant reported an out-of-court statement interview (hearsay) at the scene of the alleged crime November 18th, 2019 on the Saw Creek and Pine Ridge Indian Communities Title Hamlet property (Club House) to the Pennsylvania State Police . Mr. Derbyshire's statement testimony at the Court 's Preliminary Hearing implied the existence of inconsistencies and contradictions in his testimony that reflects his 'Credibility' .**See SDNY Entry: # 18 Date: 6/25/21 (Police Criminal Complaint 11/18/2019 Complaint/Incident #: PA 19-1526267 'AFFIDAVIT OF PROBABLE CAUSE' and COURT OF COMMON PLEAS COURT Transcript (testimony page 56-79) ; Bushkill, PA Pocono Record and Bushkill, PA-The New Jersey Herald News Article of Witness, John Derbyshire's death.**

HEARSAY

225 Rule 801

ARTICLE VIII HEARSAY

Pa. R.E. 801 (c), which defines hearsay is consistent with Pennsylvania law, although the Pennsylvania cases have usually defined hearsay as an " out –of-court statement, offered to prove the truth of the matter asserted". Instead of the definition used Pa. R.E. 801 (c) . **See Heddings v. Steele, 514 Pa, 569, 526 A. 2d 349 (1987).** The adoption of the language of the

Federal Rule is not intended to change existing law.

Rule 802: The Rule against Hearsay- Hearsay is not admissible except as provided by these rules , by other prescribed by the Pennsylvania Supreme Court, or by statute.

- **225 Rule 802**

‘Hearsay Exceptions and the Right of Confrontation of a Defendant in a Criminal Case’

Rules 803, 803.1 and 804 and the exceptions provided by other rules or by statute are applicable both in civil and criminal cases. **In a criminal case, however, hearsay that is offered against a defendant under an exception from the hearsay rule provided by these rules or by another rule or statute may sometimes be excluded because its admission would violate with the defendants right “to be Confronted with the Witnesses Against him or her” under the Sixth Amendment of the United States Constitution, or to be Confronted with the Witnesses against him or her” under Article I, 9 of the Pa. Constitution** . The relationship between her-say rule and Confrontation Clause in the Amendment was explained by the U.S. Supreme Court in California v. Green, 399 U.S. 149. 155-56 (1970).

In Crawford v. Washington, 541 U.S. 36 (2004), the Supreme Court overruling its prior opinion in Ohio v. Roberts, 448 U.S. 56 (1980), interpreted the Confrontation Clause to prohibit the introduction of **‘testimonial’** hearsay from an unavailable Witness against a defendant in a Criminal case unless the defendant had an opportunity to confront and cross-examine the declarant, regardless of its exception from the hearsay qualities as a dying declaration (Pa. R.E. 804 (b) (2)).

- **225 Rule 803.1 RULES OF EVIDENCE** -A Witness must be subject to Cross-examination regarding the prior statement. **See Commonwealth v. Romeo, 772 A. 2d 1014, 1017-1018 (Pa. 1999) (2) Prior Statement of Identification by Declarant-Witness.** A prior statement by a declarant-witness identifying a person or thing, made after perceiving the person, or thing, provided that the declarant-witness testifies to the making of the prior statement.

Pa. R.E. 803.1 (2) differs from F.R.E. 801 (d) (1) (c) in several respects. It requires the Witness to testify to making the identification. This is consistent with Pennsylvania law.

See Commonwealth v. Ly, 599 A 2d. 613 (Pa. 1991). The Pennsylvania rule includes identification of a thing in addition to a person.

- **Pa. R. E. 803.1 (3) (C)** makes clear that, to qualify a recorded recollection as an exception to the her-say rule, the Witness must testify that the memorandum or record correctly reflects the knowledge that the Witness once had **‘the Witness must vouch for the reliability of the record’**.
- **Rule 804 Exceptions to the Rule against Hear say- when the Declarant is unavailable as a Witness** Rule 803.1(4) cannot be present or testify at the trial because of death See Exhibits Pocono Bushkill News/New Jersey Herald News articles . See Court Entry 7/8/2021 # 41
- **Pa. R.E. 804 (b) (1)** in criminal cases the Supreme Court has held that former testimony is admissible against the defendant only if the defendant had a **“full and fair” opportunity to examine the Witness.”** See Commonwealth v. Bazemore, 614 A. 2 .2d 684 (Pa 1992).
- Depositions are the most common form in criminal matters. The testimony of Witnesses taken in accordance with Section 5325 (relating to when and how a deposition may be taken outside their Commonwealth) may be read in evidence upon the Trial of any Criminal matter unless it shall appear at the trial that **“the Witness whose deposition has been taken is in attendance” or has been or can be served with a Subpoena to testify, or his attendance otherwise proceed, “in which case the deposition shall not be admissible”**
- 42 Pa. C.S. 5325 sets forth procedure for taking depositions, by either prosecution or defendant, outside Pennsylvania.
- **Rule 613 Inconsistent Statement to Impeach; Witness’s Prior Consistent Statement to Rehabilitate** : An inconsistent statement of a witness that does not qualify as an exception to the hearsay rule may still be introduced to impeach the credibility of the witness.

Extrinsic Evidence of a Witness’s Prior Inconsistent Statement: is admissible only if, during the examination of the witness (3) **an adverse party is given the opportunity to question the witness**. Captive, Toni Scott and Keeba Scott-Harris were man handled by Court Officers in being removed from the court hearings (2) twice and was never allowed to attend any additional Court sessions. .

See Police Criminal Complaint for John Derbyshire (SDNY Entry: # 18 6/25/21) - On November

18th, 2019 at 1530 Hrs. Trooper Shamus Kelleher and Joseph Tilton interviewed John Derbyshire, at the scene of Pine Ridge. Derbyshire reported that he received information that several individuals were attempting to break into the office. He advised them to leave and locked himself in the Public Safety Office and over powered him and took his weapon, placed him in the back seat of his vehicle and drove him to the front gate entrance of the development (a maintenance worker's vehicle had blocked their passage) .

See Court Transcript for Derbyshire (SDNY Entry# 18 6/25/21)- However, at the court Preliminary hearing Derbyshire testified that he observed 5 males breaking and entering the Pine Ridge Clubhouse, kicking the door, breaking a glass door window, being showed papers, weapons drawn, etc. Mr. Derbyshire's inability to remember inconsistent and contradictions; the subject matter of the statement (Nov. 18, 2019 Police Complaint and Affidavit of Probable Cause) and testimony was given under oath; was subject to penalty of perjury at the Preliminary hearing . The Court of Common Pleas Pike County Pennsylvania hearsay statement admitted into evidence does not give the opposing party the opportunity to cross-examine the declarant on the statement to explain or deny the making of an inconsistent statement because he's deceased. John Derbyshire resided in the Pine Ridge Development (4 years)in which he was a Public Safety Officer employee 16 months for the Pine Ridge Community Association . John Derbyshire had acquired personal knowledge about Captives, Tonia Scott and Keeba Scott-Harris before November 18th, 2019. (**See Page 73 -74** of John Derbyshire court transcript).) Derbyshire said quote 'They did not have contact with me' and later recanted and said he had met with Tonia and Keeba and was presented papers but he did not take them, was attempting to keep them on the property until the State Police got there', who were called; they managed to get off of the property prior to that'. In the **'POLICE CRIMINAL COMPLAINT PROBABLE CAUSE** 'there is no mention of Derbyshire having any past or present contact with Tonia Scott-and Keeba Scott-Harris. In the Court transcript Derbyshire testified that his specific duties as Sergeant was to patrol the community, check paperwork, and respond to calls that occurred within the community. Derbyshire stated that he went over to the door and saw three or four gentlemen trying to kick in the door, waving some papers in his face (page 58).; when the Pennsylvania State Police arrived one gentlemen got out of his car and showed the PSP papers (page 68) .Derbyshire said that somebody had papers in their hand... they were waving papers at him which he never saw and never requested to see because that was not part of his job (page 72) . Regarding September 6th, 2019 when Tonia Scott and Keeba Scott-Harris visit Pine Ridge Mr. Derbyshire said that Keeba and Tonia had papers saying that the community belonged to them and that they owned this building (the Clubhouse) once again he did not take the papers (page 73). Attorney, Galasso question Derbyshire if he ignored the paperwork he said 'Yes Sir'. See page 76

John Derbyshire selectively derelict his duties, in reading documents as required in his job description. Derbyshire benefited financially from stealing monetary proceeds from the dwellers on the land without the authorization from the Saw Creek and Pine Ridge Indian

Communities Tribal Government (Land Owner).

See Police Criminal Complaint Affidavit of Probable Cause for William White (See Exhibits SDNY : # 18 6/25/21. Pine Ridge Community Manger, William White reported he was notified by a office staffer that several individuals attempting to gain entry into the office section of the building, he heard loud noises coming from the upstairs portion of the building, yelling, and people screaming "Drop the gun" and that he did not visually see anything.; that recent disputes with a female identified as 'Tonya' (Tonia) and that she had been harassing the community and claiming that the property the community is located on belongs to her.

See Court Transcript for William White (SDNY Entry # 18 6/25/21) : During the court Preliminary hearing Mr. William White stated that Tonia Scott and Keeba Scott-Harris September 6th, 2019 visited Pine Ridge property for a meeting but recanted after cross-examination by District Attorney, Tonkin's. Mr. White said that Officer, Derbyshire would have been on duty September 6th, 2019 during Tonia and Keeba visit to Pine Ridge development and that there was video footage of Officer, Derbyshire showing the event as it unfolded as they tried to detain them (Tonia and Keeba) until the State Police got there. Mr. White stated he received information from an employee and that he and 2 females locked themselves in the manager's office. Mr. White reported that he was informed by his colleagues that Tonia Scott and Keeba Scott-Harris were on the property of Pine Ridge September 6th, 2019 and that more cameras were installed to protect the facility. On November 18th, 2019 he never saw the Tribal Officials breaking and entering, kick down a door, and that the only way he recognize them is from the Video Camera install in the Clubhouse. Also, Mr. White said he heard yelling and screaming and people screaming "Drop the Gun" but could not identify who it was nor could he say who had weapons or not; that the perpetrators never attempted to enter the office room his colleagues and him were locked in.

Mr. White stated during the Preliminary hearing that he could not identify the (5) Saw Creek and Pine Ridge Indian Communities Law Officer that entered the Pine Ridge Clubhouse on November 18th, 2019 but he viewed the individuals on the Clubhouse video cameras on the date in question. There are additional inconsistent statements in Mr. John Derbyshire and William White court Transcript Preliminary hearing testimony as the Police Criminal Complaint-Affidavit of Probable Cause, See Exhibits

Pike County District Attorney, Raymond J. Tonkin during the Preliminary hearing was interrupted during cross-examination for 'Leading the witness', making an objection, and indicating to the Court Officials that the Attorney's questioning to the Witness could be 'Argumentative' in which the Judge encourage the Attorney to paraphrase. Despite, fabrication and omission of evidence; improper influence during court proceedings District Attorney, Raymond Tonkin continues to Manipulate evidence and suppress evidence causing a serious miscarriage of justice by violating the laws of the state of Pennsylvania and the U.S Constitution.
